# New Castle Presbyterian Church

## A Covenant of Care During COVID-19

New Castle Presbyterian Church invites all returning to in-person activities to join in a covenant of care for one another in order to demonstrate our love of God and neighbor and care especially for those who are most vulnerable to COVID-19. These are the core practices we affirm to reduce known risks of COVID-19 virus transmission as we return to our buildings and engage in-person activities. We ask for your commitment to join in this effort.

Please sign and give to your event's coordinator:

- Agreeing to not share drink, food, or other objects
- Helping other members of my household who are present follow distancing guidelines
- Participating in contact tracing after each on-site event, including letting the coordinator know if I develop COVID symptoms or have a positive COVID diagnosis within a week of the event.

#### Disinfecting

- Washing or sanitizing my hands when entering and leaving the CE building and Meeting House
- Using sanitizing wipes where provided for wiping down commonly touched surfaces
- Following the protocols for wiping down areas, including the bathroom and kitchen, before and after use
